\$25 per runner/walker
\$15 for 11 and under

The Inaugural Hugs from David 5k Run/Walk in Honor of David Bouvier. A young teen with a deep love for cross country running, family, friends and community, David always had the time to listen to others and offer encouragement, often in the form of a big hug.

The Hugs from David 5k Run/Walk honors David's memory and celebrates just a few of the things that made him special, while raising money for important causes and organizations.

Hugs from David is committed to supporting local charities and programs that continue David's life philosophy, and all profits from the event will be donated to organizations focused on creating stronger, more resilient children and youth.
